

The following planning applications were discussed at the Full Council Meeting held at 7.30pm on Monday 15 February 2016:

Application: WD/2015/2296/F

Location: Brent Farm, Under Road, Herstmonceux.

Description: Conversion of agricultural buildings and partial rebuild to provide four dwellings and associated ancillary building and parking provision

Parish Council comments to Wealden District Council: The Council objects to this application:

- It considers that the proposed four dwellings are an overdevelopment of the site - the Parish Council notes that WDC has already approved three dwellings at the site and it considers that this is adequate density for the site.
- The vehicle access has poor visibility.
- Under Road is a single track road in a rural location and the site is on a corner.
- The Council supports the ESCC recommendation for the size of the parking spaces provided at the site.

Application: WD/206/0061/FA

Location: Simon Turner Refrigeration, The Garage, Cowbeeck.

Description: Removal of conditions.

Parish Council comments to Wealden District Council: The Council supports this application as it wishes to support a local business.
