18. Suspension and revision of Financial Regulations

- 18.1. The council shall review these Financial Regulations annually and following any change of clerk or RFO. The Clerk shall monitor changes in legislation or proper practices and advise the council of any need to amend these Financial Regulations.
- 18.2. The council may, by resolution duly notified prior to the relevant meeting of council, suspend any part of these Financial Regulations, provided that reasons for the suspension are recorded and that an assessment of the risks arising has been presented to all members. Suspension does not disapply any legislation or permit the council to act unlawfully.
- 18.3. The council may temporarily amend these Financial Regulations by a duly notified resolution, to cope with periods of absence, local government reorganisation, national restrictions or other exceptional circumstances.

Appendix 1 - Tender process

- 1) Any invitation to tender shall state the general nature of the intended contract and the Clerk shall obtain the necessary technical assistance to prepare a specification in appropriate cases.
- 2) The invitation shall in addition state that tenders must be addressed to the Clerk in the ordinary course of post, unless an electronic tendering process has been agreed by the council.
- 3) Where a postal process is used, each tendering firm shall be supplied with a specifically marked envelope in which the tender is to be sealed and remain sealed until the prescribed date for opening tenders for that contract. All sealed tenders shall be opened at the same time on the prescribed date by the Clerk in the presence of at least one member of council.
- 4) Where an electronic tendering process is used, the council shall use a specific email address that will be monitored to ensure that nobody accesses any tender before the expiry of the deadline for submission.
- 5) Any invitation to tender issued under this regulation shall be subject to Standing Order [insert reference of the council's relevant standing order] and shall refer to the terms of the Bribery Act 2010.
- 6) Where the council, or duly delegated committee, does not accept any tender, quote or estimate, the work is not allocated and the council requires further pricing, no person shall be permitted to submit a later tender, estimate or quote who was present when the original decision-making process was being undertaken.
